13th November 2018

Dear Year 12 Students and Parents/Carers,

Re: AP2 Internal Exams - Monday 26th November – Friday 30th November 2018

Please find the AP2 Internal Exams timetable on the reverse of this letter.

Please note:

- All examinations (except for practical subjects) will take place in the main school hall.
- This arrangement is only for the subjects studied at St. Aloysius' College. If subjects are taken at the other Consortium schools, the AP2 Internal Exams will be arranged by them.
- All examinations will take place in the morning session timetabled for that option block, for example option D Monday morning. Students will go to their timetabled lesson at the end of the exam.
- All examinations will start at 9.00am. To avoid any disruption to the smooth running of these exams, late comers will **not** be allowed in the hall, and will be sent home for the morning.

Reports will be sent to you in January.

May I remind all students and parents/carers that during lesson times and after school **the study and common rooms are places for silent study**. Students are not permitted to interrupt other students' study time. Only at break and lunch time may the rooms be used as social time.

Please feel free to contact me for further details.

Yours faithfully,

Miss Mauris-Blanc
Head of Sixth Form
