6th June 2018

Dear Parent/Carer,

June Examinations 2018

Please find the following attachment for your son's AP4 examination timetable.

As you are no doubt aware we attach great importance to these exams. As a result it is important that you recognise that pupils must be in school on time and fully prepared for the exams. Please note the exam timetables are also available on our website.

Your son will receive revision materials from his various subject teachers. He will also have the opportunity for revision during his subject lessons. It is important however that he **revises at home each night for at least two hours**. Your support in this matter is appreciated.

In addition to the above it is important that you also ensure that your son:

- Is on time for all his exams. If he is late for any exams he will sit the missed exam at the end of the day.
- Attends school with the correct equipment for each examination. If he is unsure about what to bring he should ask his subject teacher.
- Bring appropriate revision or a reading book with him to all his examinations.

Thank you for your support in this matter.

Yours sincerely,

B Lawrence
Associate Headteacher
