**Job Description**

Islington R.C. Comprehensive school. We take pride in our friendly and St. Aloysius' College is a successful North inclusive school community with its commitment to supporting pupils and staff in achieving their full potential.

We are looking to appoint a fully qualified Teacher of Science 2ic/Key Stage Post Holder to teach across the full age and ability range.

You will be joining a progressive and dynamic department that achieves strong outcomes 'above average' in both GCSE and A Levels.

At KS5, we are offering all Sciences: Physics, Chemistry and Biology up to A2 levels with AQA. AQA GCSE Sciences are taught at KS4 as well as BTEC Applied Science Level 3.

**The successful candidate should:**

- Be passionate about Science Education
- Communicate effectively with all staff, students and parents
- Raise aspirations, expectations and achievement of all students regardless of ability
- Be a team player and go the extra mile to uphold school values
- Be able to teach Science to all age groups, fulfilling all responsibilities of a teacher of Science.
- Ensure pupils' progression is continuously monitored and achievements maximised.
- Assist in performance management and the professional development of colleagues including induction arrangements for new staff.
- Support, guide and motivate team members including associate staff.

St. Aloysius' College is committed to Safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment.

**Apply:** An application form is available via the school's website <http://www.sta.islington.sch.uk/>. Please email your completed application to **Debbie McDonagh** [mcdonagh.d@sta.islington.sch.uk](mailto:mcdonagh.d@sta.islington.sch.uk)
