St Aloysius' College: Charging and Remissions Policy 2018/19

Introduction

St Aloysius is required to have a charging and remissions policy, which provides details of any optional extras or board and lodging for which it intend to charge. Without such a policy, the school is not permitted to make any charges.

We want all our pupils to have an equal opportunity to benefit from school activities, both on and off site, within and outside the curriculum, regardless of their family's financial means. This policy sets out our school approach to charging and remissions, and is informed by local authority guidance. In doing this, our intention is to ensure transparency in setting charges and ensure all children are able to access all the provision on offer.

This policy does not apply to charges made and determined by other organisations offering activities and services on the school premises.

This policy considers different types of activity and determines the circumstances in which charges will be made.

If a charge is to be made for a particular type of activity, for example optional extras, parents need to know how the charge will be worked out and who might qualify for help with the cost (or even get it free). This policy provides such details.

Charging and remissions

The following provides guidance regarding the charges that the school may or may not impose.

1	Admissions	No charge will be made for admission. Voluntary contributions for the building fund is in place.
2	School meals	No charge will be made for pupils entitled to free school meals.
		We will charge all pupils in receipt of free school meals for any optional items that they choose to purchase which sit outside of their free school meal allowance. This charge will be at the same rate as any pupils that are not entitled to free school meals.
		We will charge all pupils not entitled to free school meals an amount determined by the contractor or governing body of the school, as appropriate.
3	Public examinations	No charge will be made for the first attempt entry fee if the examination is on the set list and the pupil has been prepared at the school and entry at that level is agreed.
		Where supported by school, we will not charge parents for the entry fee if the examination is on the set list, but the pupil was not prepared for it at school at the level agreed by the school. Where a request is made for a level different to that recommended by the school, the school reserves the right to charge entry fee.
		Where supported by school, we will not charge parents the entry fee if the examination is not on the set list, but school has arranged for the pupil to take it
		We will charge parents the examination fee if a pupil fails without good reason to complete the requirements of a public examination where the school originally paid the entry fee. This will be decided by the Executive Headteacher.
