Dear Parents/Carers,

A new way to record, track and monitor homework at St Aloysius College

We are excited to be launching Show My Homework, an online tool to help you keep track of your child's homework. Show My Homework will allow you to see the details of the tasks your child has been set, as well as the submission status and due dates.

On the next page you will find the login details for yourself and your child which will allow you to view all homework set for your child. The Show My Homework platform is best accessed through the Google Chrome web browser; from which you can view the live homework calendar after logging in.

The platform can also be accessed by visiting <http://www.sta.islington.sch.uk/> to view our school's live homework calendar.

- ❖  24/7 access
- ❖  View quality and quantity of homework
- ❖  Translation into over 50 languages
- ❖  Free apps available for iPhone, iPad, iPod Touch, and Android devices
- ❖  Receive automated notifications before homework is due

We'll be launching Show My Homework on 19th September 2016 and we hope that this service will provide parents with a deeper insight into the homework your child receives. More importantly, we hope that it will improve your child's organisation, time-management, and help them to keep on top of their workload.
