**Job Description**

St. Aloysius' College is a successful North Islington R.C. Comprehensive school. We take pride in our friendly and inclusive school community with its commitment to supporting pupils and staff in achieving their full potential.

We are looking to appoint a fully qualified Science graduate to teach across the full age and ability range. NQT's are welcome to apply.

You will be joining a progressive and dynamic department that achieves an average of **90% Grade A\*-C in triple sciences and 71% A\*-C Additional Sciences.**

At KS5, we are offering all Sciences: Physics, Chemistry and Biology up to A2 levels with AQA. AQA GCSE Sciences are taught at KS4 as well as BTEC Applied Science Level 3.

In our Ofsted inspection in March 2012 we received an **Outstanding** judgement in all four key areas and an overall **Outstanding** assessment.

CPD opportunities are supported.

The successful candidate should:

- Be passionate about Science Education
- Communicate effectively with all staff, students and parents
- Raise aspirations, expectations and achievement of all students regardless of ability
- Be a team player and go the extra mile to uphold school values

St. Aloysius' College is committed to Safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment.

**Apply:** An application form is available via the school's website <http://www.sta.islington.sch.uk/>. Please email your completed application **form along with your most up to date CV to Debbie McDonagh** or drop off the application to the school office.
