St Aloysius' College: Safer Recruitment Policy

Introduction

St Aloysius' College emphasises the importance of safeguarding the children in our care and this policy should be read in conjunction with the school Safeguarding and Child Protection Policy. Our safeguarding responsibilities inform our practices throughout the recruitment and selection process. We have given careful consideration and attention to the following guidance provided by the Department for Education (DfE hereafter):

["Keeping Children Safe in Education" \(KCSIE hereafter\) issued July 2015.](#)

In order to help safeguard and promote the welfare of all pupils, the school is committed to a thorough and consistent Safer Recruitment Policy.

The purpose of this policy is to provide guidance for Head teachers and managers involved in the recruitment and selection of staff to ensure that the school meets its commitment to safeguarding and promoting the welfare of children and young people by carrying out all necessary preemployment checks.

- To give the necessary tools to ensure compliance with all relevant recommendations and guidance including the recommendations of the Department for Education (DfE) and the Disclosure & Barring Service (DBS).
- To give guidance on the Disclosure & Barring Service (DBS) checks, single central record (SCR) and childcare disqualification requirements.
- This guidance has been produced in line with the Department for Education (DfE) Keeping children safe in education, a statutory guidance for schools and colleges (July 2015) and the supplementary advice (October 2014) on childcare disqualification requirements.

Our Aims

This policy has been developed to ensure that the recruitment of staff or volunteers to work at St Aloysius 'College is fully compliant with DfE guidance and the guidance issued by the Catholic Education Service (CES) regarding recruitment. This is so that the risk of recruiting someone who intends to harm is minimised. It applies to all people who carry out work at our school, whether paid, voluntary, supplied by an agency or under a service term agreement.

The Role of the School in Safeguarding

Everyone who comes into contact with children and their families has a role to play in safeguarding children. School staff are particularly important as they are in a position to identify concerns early and provide help for children to prevent concerns from escalating. Schools and their staff form part of the wider safeguarding system for children. This system is described in statutory guidance Working Together to Safeguard Children 2013.

- Governing bodies should ensure there is an effective child protection policy in place together with a staff behaviour policy e.g. employee code of conduct. Both should be provided to all staff – including temporary staff and volunteers.
- Each school should have a designated safeguarding lead who will provide support to staff members to carry out their safeguarding duties and who will liaise closely with other services such as children's social care.

St Aloysius' College: Safer Recruitment Policy

- The Teacher Standards 20121 state that teachers, including Head teachers, should safeguard children's wellbeing and maintain public trust in the teaching profession as part of their professional duties.
- Schools should work with social care, the police, health services and other services to promote the welfare of children and protect them from harm.

Safer Recruitment

We must ensure that we do everything we can to prevent appointing people who may pose a risk to children, as this is an essential part of safeguarding. Safer recruitment practice is not just about the Disclosure & Barring Service (DBS) check, in fact most people who abuse children do not have a criminal conviction.

Therefore a range of systems, processes and vetting checks need to be in place to prevent unsuitable people from working with children and young people.

The recruitment and selection process should ensure the identification of the person best suited to the job at the school based on; the applicant's abilities, qualification, experience and merit as measured against the job description and person specification.

The safer recruitment process identifies the following approach as good practice for schools.

The Recruitment Process

The importance of safeguarding and protecting the children attending our school will be promoted as much as possible throughout the recruitment process in order to deter would-be abusers. For all employment vacancies, St Aloysius' will use the current Catholic Education Service Application Form, Contracts, Guidance Documents and associated policies.

Please be aware that separate guidance issued by the Westminster Catholic Diocese exists for the recruitment of a Headteacher or Deputy Headteacher.

Timeline

The need for a thorough Safe Recruitment process is paramount and timelines for the appointment of staff will vary depending on the time it takes to receive all of the appropriate pre-employment checks and for the candidate to serve a notice period. We recognise that appointments often need to take place speedily to ensure continuity of provision for the children/young people in our school; however, no appointment process will circumvent the measures described in this policy for the sake of expediency.

St Aloysius' College: Safer Recruitment Policy

Job Descriptions and Person Specifications

At the start of the recruitment process it is important to define what the responsibilities of the post holder will be, as well as the qualifications and experience needed to perform the role. All Job Descriptions will, as a minimum detail:

- Job Title
- Grade/Scale of Post
- Review Date
- Job Purpose
- Line Management
- Specific Responsibilities
- Skills & Abilities
- The post holder's specific responsibility towards the promotion and the practice of safeguarding
- The welfare of children that they may have contact with through their job.

All Person Specifications will as a minimum, have details of the following:

- The Qualifications required
- Any Professional Registrations required
- Define the skills, competencies and previous experience required
- The requirement for clearance by the Disclosure and Barring Service, to be able to work with children and where appropriate disqualification by association.

Each requirement on the Person Specification will be graded as either 'Essential' or 'Desirable'. These grades will be used for shortlisting purposes after the closing date. How these requirements will be tested, for example Application Form, Interview, or the In-tray Task, will be stated in the Person Specification and will vary dependant of the varying posts.

Advertisements

The Recruitment Adverts for a vacancy will demonstrate our commitment to safer recruitment and vetting procedures in order to act as a deterrent to would-be abusers. All Recruitment Adverts will display the following:

- St Aloysius College name and logo
- Post Title
- Hours (this should indicate if full or term time)
- Pay Grade or Scale
- Salary including any allowances offered e.g. TLR
- Permanent or Fixed Term (if fixed term the duration of the contract should be stated)

Advert Text (which should detail the main responsibilities of the post)

St Aloysius' College: Safer Recruitment Policy

- Safeguarding Children Statement:

” St. Aloysius' College is committed to Safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment”. □ Closing Date

and Interview Date **Application Packs**

The following, as a minimum, will be provided to Applicants:

- Catholic Education Service Application Form and Guidance for Applicants
- Job Description
- Person Specification
- Catholic Education Service Recruitment Monitoring Declaration Form
- Catholic Education Service Rehabilitation of Offenders Declaration Form
- Safer Recruitment Policy
- DBS (Disclosure and Barring Service) – A Guide for Applicants
- Disqualification by Association guidance where appropriate

Shortlisting

After the closing date, the Recruitment Monitoring Declaration will be removed from the Application documents before shortlisting.

If the post is a Teaching post then the candidates will be checked against the **Prohibited from Teaching List** through the **Employer Access Online service**. If the outcome of the check is clear then the application will proceed to shortlisting. If the check is **not** satisfactory; for example, the candidate is prohibited from teaching then the necessary authorities will be informed and there will be no further contact with the applicant.

The shortlisting panel will review all applications and match them against the published person specification. Those who meet all of the relevant essential criteria will form a 'long list'.

Invitation to Interview

Candidates will receive an invitation to interview email which re-iterates the Schools' commitment to safeguarding and stipulates that each candidate must bring evidence (original documents only) verifying their professional qualifications, identity, right to work in the UK and documentation required for the purpose of DBS checking. **See Pre-Employment Checks below. Interviews**

On arrival for interview the original documents requested in the invitation to interview letter will be obtained from each candidate and copied. The copies will be verified, initialled and dated and held with the Pre-Employment Checklist pending the outcome of the interviews. The interview process will allow time for any discrepancy in a candidate's application or references to be scrutinised and clarified. Interviewers will question candidates regarding any employment gaps, criminal record disclosures, fitness for the role, previous experience, suitability for the post and their motivation to work with children. The Panel will be certain they have explored all relevant areas before they offer a post.

All interviews will be carried out on a face to face basis. On the rare occasions where teachers have applied from overseas then it may be appropriate to interview via video conferencing. All interview

St Aloysius' College: Safer Recruitment Policy

panels should include a representative of the schools Governing Body and will include at least one person who has successfully completed Safer Recruitment Training. This will enable the scrutiny of each candidate's motivation to work with children by a trained interviewer. The composition of an interview panel will reflect the nature of the post.

References

These will be requested prior to interview and be available to the Chair of the Panel on the day of the interview. One of the referees must be the candidate's current or most recent employer. Open references will not be accepted neither will references which have been provided by the candidate. Referees for all candidates will be asked specific role, Safeguarding and child protection related questions. This avoids references which may have been written as part of a compromise agreement and would not state any adverse qualities or incidents involving the candidate.

St Aloysius College reserves the right to seek references from the current employer even if they are not listed as referees on the application form.

When references are received prior to interview, the HR/Business/Office Manager will follow up any discrepancies or issues to enable the panel to make a decision with reference to all the facts available at the time. Any gaps and inconsistencies in the candidate's employment history will be followed up before an offer of employment is made.

Employment Gaps

The CES application form allows for candidates to inform us of any gaps in their employment history. The HR/Business/Office Manager will check for these gaps and highlight any found to the panel. These will be investigated at interview, along with the reason for them not being disclosed on the application form. The interview panel will explore patterns of repeated change in career or employers at interview, ensuring that the reasons for this are fully explored.

Qualification Verification

At interview, essential qualifications required for the post, including those set by statute, will be verified by the HR/Business/Office Manager. Any concerns will be made known to the Panel immediately. A photocopy of all the original qualification certificates will be taken and if the candidate is successful, these will be placed on their personal file. If the candidate is unsuccessful, then these, along with evidence of identity documents will be securely destroyed in line with the Data Protection Policy.

Pre-Employment Checks

Disclosure of Criminal Record (DBS)

Posts within schools are exempt from the Rehabilitation of Offenders Act 1974 (updated guidance March 2014), therefore as a prospective employer, we encourage candidates to disclose any

St Aloysius' College: Safer Recruitment Policy

unspent and spent convictions during the application stage by including space for this on our application form. Disclosing a criminal background will not be used as a reason to not shortlist a candidate, unless it involves violence and/or the safety of children.

Having a criminal conviction will not necessarily bar a person from working with children. Successful candidates will be required to complete a DBS application form (and Disqualification by Association where appropriate). Once Enhanced DBS with barred list clearance is verified, any discrepancy in convictions declared on the application form and the DBS clearance will be discussed with the candidate and may lead to the offer of employment being withdrawn with immediate effect, even if the person has commenced work.

On 1 December 2012 the Independent Safeguarding Authority (ISA) merged with the Criminal Records Bureau (CRB) to form the Disclosure & Barring Service (DBS).

The process by which the DBS provides criminal record data is called DBS certificate or a DBS check (formerly CRB check). The DBS is responsible for administering three types of checks:

- **Standard:** a check of the Police National Computer (PNC) records of convictions, cautions, reprimands and warnings;
- **Enhanced:** a check of the PNC records as above, plus other information held by the police that is considered relevant by the police; and
- **Enhanced with barred list information:** for people working in regulated activity with children. This adds checks of the DBS children's barred list³ to the enhanced check.

More information is available on the DBS website:

<https://www.gov.uk/government/organisations/disclosure-and-barring-service>

For school staff, an enhanced DBS check with barred list information is appropriate as the majority of staff will be engaged in regulated activity.

Regulated Activity

An Enhanced DBS check is needed for all staff engaging in regulated activity. For most appointments, an enhanced DBS check with barred list information will be required as the majority of staff will be engaging in regulated activity. The full legal definition of regulated activity is set out in Schedule 4 of the Safeguarding Vulnerable Groups Act 2006 as amended by the Protection of Freedoms Act 2012. HM Government have produced a factual note on [Regulated Activity in relation to Children: Scope](#).

A person will be considered to be in 'regulated activity' if as a result of their work they:

- Will be responsible, on a regular basis, in any setting for the care or supervision of children; or
- Will regularly work in a school or college at times when children are on school or college premises (where the person's work requires interaction with children, whether or not the work is paid (unless they are a supervised volunteer), or whether the person is directly employed or employed by a Contractor); or

Will regularly come into contact with children under 18 years of age.

A supervised volunteer who regularly teaches or looks after children is not in regulated activity. All Enhanced DBS Checks must be completed through the Islington Disclosure Barring Service Portal.

Guidance for schools on DBS checks

Schools should ensure that all those employed in any capacity that is directly responsible for supervising and/or caring for children or have access to pupil data have a current enhanced DBS with barred list check certificate. It is the London Borough of Islington policy that a DBS check is renewed every 3 years. Alternatively, if the applicant has subscribed to the DBS Update Service and gives consent, the school or Islington Human Resources Services may undertake an online update check through the DBS Update Service.

Prior to taking up employment an enhanced DBS with barred list check disclosure must be requested.

The applicant must show the DBS certificate to the school before they take up post or as soon as practicable afterwards. If a school allows an individual to start work before the DBS certificate is available then the school should ensure that a risk assessment is undertaken, the individual is appropriately supervised and that all other checks, including a separate barred list check, have been completed.

Employees are required to join the DBS Update Service. The benefits to schools are:

- Instant online checks
- Portability of DBS certificates (employees may never need to apply for a new DBS check)
- Enhanced safeguarding processes - the online system is updated every week for disclosures with conviction and barring service information, and every nine months for non-conviction information

Further details on the DBS Update Service please visit:

<https://www.gov.uk/dbs-update-service>

Post Interview Checks

Any offer of employment to any post at St Aloysius' College will be subject to the following:

Employment history

We will always ask for written information about previous employment history and check that information is not contradictory or incomplete.

If a candidate for a teaching post is not currently employed as a teacher, we will check with the school, college or local authority at which they were most recently employed, to confirm details of their employment and reasons for leaving.

References:

Will be sought on all shortlisted candidates, including internal ones, before interview, so that any issues of concern that may arise can be explored further with the referee, and taken up with the candidate at interview.

~~On receipt, satisfactory references will be checked by the HR/Business/Office Manager to ensure that all specific questions have been answered satisfactorily.~~

The referee will be contacted to provide further clarification as appropriate; for example if the answers are vague. They will also be compared for consistency with the information provided by the candidate on their application form. Any discrepancies will be taken up with the candidate.

Verification of Candidates Identity

It is vital that we know who our employees are and have evidence to prove this. Evidence of identity will be sought as part of the enhanced DBS check. We will verify a candidate's identity from current photographic ID and we will ask to see proof of address. Photocopies of documentation will be taken by the HR/Business/Office Manager and kept on file for anyone appointed to work at St Aloysius' College.

Where a candidate is not appointed, this documentation will be securely destroyed in line with the Data Protection Policy.

Enhanced DBS check with Children's Barred List Check:

All employees will be considered to take part in regulated activity and therefore we will require them to be checked against the Children's Barred List and obtain an enhanced DBS check.

There is no requirement to obtain an additional enhanced DBS check if in the three months prior to beginning work in their employment, the candidate already has DBS enhanced clearance with Children's barred List checks and has worked:

- In a school in England in a post which brought them into regular contact with children or in any post in a school since 12 May 2006;
- OR**
- In a college in England in a position which involved the provision of education and regularly caring for, training, supervising or being in sole charge of children or young people under the age of 18.

The Headteacher will review the completed DBS check and determine if it meets the required standard. Where it does not, the subject to contract offer of employment will be withdrawn with immediate effect. Advice and guidance should be sought from the Islington HR Legal Advisor in this instance.

Medical Clearance

Successful candidates will be required to complete a medical questionnaire. Depending on the answers given by the candidate, a referral to Occupational Health may be required to assess fitness for work. If a referral is made then job offers are confirmed only when a letter has been received from Occupational Health declaring them fit for the post for which they have applied.

Prohibition Order

The HR/Business/Office Manager will ensure that a candidate who is a registered teacher is not subject to a prohibition order issued by the Secretary of State. They will use the Secure Employer Access Online Service to check this detail.

Right to work in the UK:

The HR/Business/Office Manager will request documentation from the candidate to verify their right to work in the UK. This will be checked against the requirements of the Border Agency. Where the

right to work in the UK cannot be verified, the offer of employment will be immediately withdrawn and the Border Agency notified of the details of the applicant.

Overseas Check

If the candidate has lived or worked outside of the UK, the HR/Business/Office Manager will complete any further checks which are appropriate.

Verification of Professional Qualifications:

The HR/Business/Office Manager will request that successful candidates provide evidence of the qualifications that they have detailed on their application form. A copy of the certificates will be kept on the personnel file of the employee. **Verification of Professional Registration:**

Some posts require a professional registration with regulatory body. This will be evidenced and placed on file, if the Person Specification states it is an essential criteria. The HR/Business/Office Manager will verify the registration and will make a copy of this and place it on file.

These checks will be listed on the Pre-Employment Checklist and will be made clear to candidates at interview. Any offer of employment will be subject to satisfactory checks being received and verified. When the interview panel have decided who they would like to appoint to the post the successful candidate will be notified and sent a pack of documentation which they should complete and return promptly to allow any remaining pre-employment checks to take place. The HR/Business/Office Manager will oversee this process.

The candidate will not be made an unconditional offer at any point prior to the receipt of all satisfactory pre-employment checks.

Other Considerations

Starting Employment before Receipt of DBS Check:

If the Headteacher wishes for an individual to start work in regulated activity before the DBS certificate is available then a List 99 Check must be requested from Islington HR and risk assessment should be completed and held by the HR/Business/Office Manager to identify any risks that this should pose to the students. The Headteacher will make the decision as to whether it is appropriate for this person to start employment after reviewing this document.

Trainee/Student Teachers

Where applicants for initial teacher training are salaried by the school – St Aloysius College will ensure that all necessary pre-employment checks are carried out. As trainee teachers can undertake regulated activity, sometimes unsupervised, an enhanced DBS certificate and barred list check must be obtained. Where trainee teachers are fee-funded it is the responsibility of the initial teacher training providers to carry out the necessary checks.

The initial teacher training provider/university should provide the trainee teacher/school with documentation which clearly states that all vetting checks, including enhanced DBS and barred list check has been carried out. The individual should be asked to provide evidence of photo ID on their first day on the school premises.

St Aloysius' College: Safer Recruitment Policy

The types of photo ID that can be used for verification are:

- Photo ID Badge
- Passport
- EU Card
- Residence Permit
- Driving Licence Photo Card

A signed copy should be kept on file under student Teachers

Temporary Staff Employed Directly By St Aloysius' College:

Staff employed on a temporary contract issued by the Academy will follow the same recruitment process as any other permanent employee. All pre-employment checks must be completed.

Peripatetic Tutors and Agency Staff (Including Agency Supply Teachers):

All Service Providers/Staffing Agencies providing staff to undertake regulated activity will be required to provide evidence of the same pre-employment checks that St Aloysius' College would complete if they were directly employing the staff themselves. This should be submitted in writing and in advance of the provider starting work and should be agreed as part of any contract between St Aloysius' and the Provider. We reserve the right to view the original copy of the disclosure from the agency if it contains additional information. Evidence of checks from external providers will be recorded on the Single Central Record by HR/Business/Office Manager.

If evidence is not provided then St Aloysius' will not allow the Peripatetic Tutors or Agency staff to have unsupervised access to children.

External Contractors:

Children should not be allowed in areas where builders are working for Health and Safety reasons, so there should be little opportunity for workers to be unsupervised with children. It is difficult to say that there will not be times when contact with a child occurs, however this will be managed by the Headteacher who will use their professional judgement to determine supervision levels.

Anyone entering school premises to undertake activities which are not classed as regulated will be required to verify their identity, providing documents such as a passport or driver's licence along with company or Council ID.

Volunteers Engaging in Regulated Activity:

Many volunteers in School have the same unsupervised access to children as employees. A child will not consider a distinction between a volunteer and a member of staff when seeking help or support. An Enhanced DBS check incorporating a Children's Barred List Check must be carried out prior to the volunteer starting their duties. Two references will also be required: one of these must be from their current or most recent employer/voluntary organisation. Open references will not be accepted neither will references which have been provided by the candidate. These checks will be carried out for all volunteers engaging in regulated activity.

If such a volunteer becomes a paid employee, then all pre-employment checks must be completed with the exception of the Enhanced DBS check as it will already be held by the School.

St Aloysius' College: Safer Recruitment Policy

Volunteers Not Engaging in Regulated Activity

A volunteer who is supervised at all times does not require a DBS check as they are not engaging in regulated activity. If such a volunteer becomes a paid employee, then all pre-employment checks must be completed including an Enhanced DBS check should be sought to reflect the change from volunteer to employee status. **Single Central Register**

The Single Central Record is to ensure that all the necessary information about the school's recruitment and vetting checks is contained in one central record. The aim of this process is to ensure that a summary of all the checks are kept together in one place. Ofsted inspectors will check the schools' single central record early in the inspection with the expectation that it will be complete and meet statutory requirements.

St Aloysius College keeps an up-to-date single central record of all people who work in regular contact with children to ensure compliance with its obligations to ensure that children are safe. The single central record covers the following people:

- All staff (including Supply and Contract staff) who work at the school
- All others who work in regular contact with children in the school including volunteers

Our Central Record of all staff provides confirmation that relevant checks have been taken such as:

- Verification of Identity (Name/DOB/Address)
- Qualifications (Qualifications required to do the job and any professional registrations required)
- Children's Barred List check
- Disclosure and Barring Service check
- Employer Access Online (List of persons prohibited from teaching)
- Overseas Criminal Record Checks (applicable for any employee who has spent a period of time abroad)
- Professional references (Two)
- Medical Health check
- QTS check
- Right to work in the UK

This record is kept secure and up to date by the HR Officer: Anita Hollis.

The Ofsted document 'Inspecting safeguarding in maintained schools and academies' is useful for schools to read prior to an Ofsted inspection. This document is reviewed regularly - please check the Ofsted web page for latest information:

St Aloysius' College: Safer Recruitment Policy

Safer Recruitment Training

From 1 September 2014, Safer Recruitment Training no longer needs to be approved by the Secretary of State. However, schools are still required to ensure that at least one member of any recruitment panel has received appropriate training in line with safeguarding guidance.

It is strongly recommended that Head teachers, Governing Body Members and Managers that have responsibility for recruitment and selection attend the Safer Recruitment Training organised by the Education Welfare Service and Schools Human Resources.

The Head teachers, Governing Body Members and Managers and, especially the school designated safeguarding lead should undergo updated child protection training every two years.

The training consists of four modules:

1. How safer recruitment fits within the wider context of safeguarding and promoting the welfare of children and the Every Child Matters agenda, the scale of abuse, some aspects of the characteristics of abusers and the detail of how child sex offenders typically operate within organisations, and relating that to recruitment.
2. The importance of planning a recruitment campaign by sending the right messages to potential applicants and following a consistent and thorough process to obtain relevant information about each applicant, and short listing candidates for interview.
3. The importance of making the right decisions and using structured interviews questions as well as pre-employment checks for the appointed candidates.
4. Examining the need for on-going awareness and vigilance and considering how organisations can develop and maintain an environment that deters and prevents abuse and challenges inappropriate behaviour.

There is also a safer recruitment half-day refresher training looking at updates and changes that impact on safer recruitment and the safer workforce cycle – a reminder of safer recruitment and selection procedures and the measures that help deter, reject or identify people who might abuse children. Only those people who have attended the whole day safer recruitment training within five years can book onto this course.

The Department for Education (DfE) no longer coordinates arrangements for accredited safeguarding training, or maintain the online training site. The National Society for the Prevention of Cruelty to Children (NSPCC) has developed an online training safer recruitment package in education.

For further details on the NSPCC online training course, please check website:

Appendix 4: Internal Risk Assessment (DBS Pending)

Purpose: To be used to assess the suitability of a person who is working with the school on a one-off basis i.e. parent volunteer going on a school trip.

If a volunteer is not engaging in regulated activity, the school should undertake a risk assessment and use their professional judgement and experience when deciding whether to seek an enhanced DBS with barred list check. They should consider:

- The nature of the work with children;
- What the school knows about the volunteer, including formal or informal information offered by staff, parents and other volunteers;
- Whether the volunteer has other employment or undertakes voluntary activities where referees can advise on suitability; and
- Whether the role is eligible for an enhanced DBS with barred list check.

For one-off volunteers (helping at a school fete or accompanying staff on a trip out of school, a DBS disclosure is not required but appropriate risk assessments must be undertaken and under no circumstances should a volunteer/visitor in respect of whom no checks have been obtained be left unsupervised with children.

Volunteers who have frequent and intensive contact with children (frequent is once a week or more, intensive is four days a month or overnight) will be required to obtain an enhanced DBS disclosure with barred list check.
