Dear Parent/Carer

Welcome back to the 2017-2018 Academic School Year where we are determined to get off to the best possible start. With this in mind, I would like to draw your attention to the following:

- Our GCSE results were good despite major concerns about the new format introduced by the DfE for the first time this year.

Our A Level and Btec Level 3 results were very good with a large number of our students gaining places at leading Russell Group universities.

- Can I remind you of our strict uniform policy where pupils must travel to school in full school uniform. Light rain coats may be brought into school in the case of rain but must be placed inside their school bags, unless it is raining.
- Mobile phones can be brought into school should you require it but once again stored in their bags along with headphones and more specifically earphones. They must not be used however once through the school gates otherwise, they may be confiscated.

It is essential that your son adheres fully to these requirements.

It is important that we concentrate fully on teaching and learning to include the completion of homework so we look forward to your full support, should it become necessary, in regards to your sons attitude to his learning.

Yours sincerely

T. Mannion
