24 September 2018

Dear Parent/Carer,

Year 11 Maths Baseline Assessment

Your son/ward will be taking his maths baseline assessment on one of the following days:

L side - Thursday 27th September

J side - Monday 1st October

This exam will identify strengths and weaknesses of our students, and individualised revision will be planned.

The exam will start at 8am on each morning to facilitate the exam timetable.

All students have been informed. They are expected to start their revision. The topic list has been put on Show My Home Work.

I trust that you will encourage your son/ward to revise for this assessment. The following websites are recommended for revision: Hegarty maths, Maths genie, Corbett maths and Just Maths.

Please do not hesitate to contact me if you need further clarification.

Yours faithfully,

Ms Toprak
Head of Mathematics
St Aloysius' College
