

St. Aloysius' College

Curriculum Booklet 2017

Year 7

ENGLISH

The Joint Heads of Department are Ms Doorly and Mrs Hulme who can be contacted by telephone or email at the school. They will be happy to arrange a meeting to discuss concerns or offer advice and guidance. Ms Doorly is responsible for KS4 (Years 9 – 11) and Mrs Hulme for KS3 & 5 (Years 7,8,12 &13).

Course Outline:

TERM	SCHEME OF WORK:	AP (Assessment Point)
Autumn 1	<ul style="list-style-type: none"> • Writing Skills: The Perfect Paragraph • Dystopian Story Openings 	AP1 October- Dystopian Story Opening (writing assessment)
Autumn 2	□ Arctic Adventure- multimedia unit	AP2 Winter Exam (reading and writing)
	Christmas Holidays	
Spring 1	<ul style="list-style-type: none"> • Writing Horror • Powerful Poetry 	Horror story and poem
Spring 2	<ul style="list-style-type: none"> • Poetry continued • Introduction to Shakespeare 	AP3 – Presentation on Why Do We Still Study Shakespeare (spoken language assessment- pass, merit or distinction)
	Easter Holidays	
Summer 1	□ Novel – The Boy in the Striped Pyjamas/Trash/Wonder	Essay on extract(s) linked to the whole text
Summer 2	□ Novel and exam preparation	AP4 Summer Exam (reading and writing)

Essential Equipment:

- Reading book
- Highlighters
- Pens, ruler, glue, scissors, rubber, pencil sharpener

Optional: mini-dictionary and/or thesaurus (available in all classrooms but a copy is needed at home for homework) **For Literacy lessons:**

- Spelling, Punctuation and Grammar (SPaG) Workbook- £1.00 to be purchased from your son/ward's English teacher in his first English lesson.
- Spelling booklet

Reading Books: All students must have a suitable reading book (fiction or non-fiction) with them every day. It is pivotal students read: a wide range of genres and authors, challenging texts and newspapers as well. Mrs Cox, our librarian is very happy to help students select books before and after school and on their designated lunch time (**Tuesday for Year 7**). The library is open 8am- 4pm Mon- Thurs and 8am- 3pm Fridays.

Literacy lessons:

Year 7 have two literacy lessons per fortnight (St Aloysius follows a two week timetable). Classes have two English teachers, one of which covers the literacy lessons. SPaG (Spelling, Punctuation and Grammar) is now tested in GCSE exams for all subjects and it is crucial that these skills are practised on a regular basis.

Literacy homework:

- Weekly spelling test which includes filling in a chart on the words. Parents/guardians must sign to show that students have revised. Please test your son/ward on the spellings at home.
- Weekly page to be completed in the SPaG booklet.

English: A Selection of School Library Books

Here is a small selection of books in our school library that have been enjoyed by many of the boys in KS3:

(C) – more challenging reads

Quick Reads

Two Weeks with the Queen
Jimmy Coats series
The Crew
Kit's Wilderness

Morris Gleitzman
Joe Craig
Bali Rai
David Almond

Humour

Diary of Adrian Mole
Talking Turkey
The Curious Incident of the Dog in the Night-time

Sue Townsend
Benjamin Zephaniah
Mark Haddon

Science Fiction /

Fantasy

Northern Lights (C)
Blood Tide (C)
Airman (C)

Phillip Pullman
Melvin Burgess
Eoin Colfer

War

The Boy in the Striped Pyjamas
Private Peaceful
Anne Frank's Diary
Caught in the Cross Fire

John Boyne
Michael Morpurgo
Anne Frank
Alan Gibbons

Postcards from No Man's Land

Aiden Chamber

Crime / Detective

Lord Loss
Black Rabbit Summer
Coram Boy
My Sword is Singing
The Scarecrows

Darren Shan
Kevin Brooks
Jamila Gavin
Marcus Sedgwick
Robert Westall

Current Issues / Culture

Animal Farm
Noughts and Crosses (C)
River Boy (C)
Turbulence

George Orwell
Malorie Blackman
Tim Bowler
Jan Mark

Coming of Age

The Road of Bones
Malarkey

Anne Frank
Keith Gray

Classics

Alice's Adventures in Wonderland
Treasure Island
Moonfleet
The Jungle Book

Lewis Carroll
Robert Lewis Stevenson
J. Meade Falkner
Rudyard Kipling

English: Useful Websites for pupils in KS3 (YEARS 7-9) Here are

some revision websites that allow you to learn and have fun:

www.bbc.co.uk/schools/ks3bitesize/ www.buzzin.net/english/engl-10.htm

www.cpgbooks.co.uk/online_rev/ks3/ks3_english.asp

www.englishonline.org.uk/games/gamezone2.htm

www.learnenglish.org.uk/grammar/archive/grammar_games_index_page01.html

www.schoolzone.co.uk/resources/learninggame/englishlearninggames.asp

www.bbc.co.uk/schools/revisewise/english/ www.learnenglish.org.uk/kids/ <http://www.englishbiz.co.uk/>

www.word-detective.com/

As well as using the English Department reading list you can look up your own book lists on the following websites and read some book reviews:

www.cool-reads.co.uk www.kidsreview.org.uk

www.readingmatters.co.uk

www.learnenglish.org.uk/kids/bookerview_obtree/your_reviews

www.kidzworld.com

www.bbc.co.uk/schools/studentlife/bookclub/

To improve your knowledge of Non-Fiction and Media texts try some of the following websites:

www.timesonline.co.uk

www.telegraph.co.uk www.guardian.co.uk

MATHEMATICS

The Head of Department is Ms Toprak and can be contacted by telephone at school when she will be happy to arrange a meeting to discuss concerns or offer advice and guidance.

COURSE OUTLINE

Autumn

Number 1, Number 2, Algebra 1, Algebra 2, Geometry and Measures 1, Statistics 1.

Spring

Number 3, Number 4, Algebra 3, Geometry 2, Statistics 2, Geometry 3

Summer

Number 5, Algebra 4, Geometry 4, Geometry 5, Statistics 3, Algebra 5

Things to do, books your son can read or appropriate websites which will be of help

USEFUL WEBSITES:

www.mymaths.co.uk

http://www.bbc.co.uk/schools/websites/11_16/site/maths.shtml

<http://www.mathsisfun.com/>

http://www.gomath.com/index_about.html

<http://mathforum.org/dr.math/> <http://www.math.com/>

<http://www.homeworkelephant.co.uk/>

Key dates in the year (e.g. half termly assessments, controlled assessment dates, field trips)

Departmental assessments five times a year around half term, plus school exam in December and June.

Any other information (e.g. equipment the pupil must have etc.)

A scientific Calculator and Maths set (contents: Eraser, sharpener, 15cm/150mm plastic rule, compass, pencil, and protractor).

TWENTY KEY VOCABULARY WORDS WHICH EVERY PUPIL MUST UNDERSTAND AND KNOW HOW TO SPELL

Number	Fraction	Decimal	Percentage
Angle	Algebra	Equation	Term
Expression	Circle	Circumference	Radius
Perimeter	Area	Numerator	Denominator
Probability	Chance	Bar chart	Frequency

SCIENCE

The Head of Department is Ms.S Kisten, she can be contacted by telephone and she will be happy to arrange a meeting to discuss concerns, offer advice and guidance.

COURSE OUTLINE

TERM	TOPICS TO BE STUDIED
Autumn	Working in Science Labs Simple Chemical Reactions Acids and Alkalis Cells Reproduction Forces and Their Effects
Spring	Solar System and Beyond Environment and Feeding Relationships Variation and Classification Energy Resources Electrical Circuits Particle Model of Liquids, Solids and Gases
Summer	Atoms and Elements Compounds and Mixtures Separating Mixtures Magnets and Electromagnets Heating and Cooling Rocks and Weathering The Rock Cycle

Key dates in the year

Pupils will write End of Unit Tests after the teaching of every two topics. Each test is levelled using National Curriculum levels. This allows for your sons'/wards' progress to be tracked through the year.

Internal exams are held at the end of Autumn term and will cover all the topics studied in the Autumn term.

End of year exams are held in June of the academic year and will cover all the topics from the Spring and Summer term.

Through the year pupils will also complete Homework Assessment Tasks.

Completion of homework forms an integral part of your sons'/wards' success in Science. The following websites can be useful for revision: □

- *bbc bitesize ks3 (science)
- * skool.co.uk
- *10p.org.uk
- * welsh education site (ngfl)
- * www.scibermonkey.org

Pupils' must ensure that they have a black, red and blue pens, pencil, math set, glue stick and colour pencil pack in every Science lesson.
Calculators are allowed to be used in lessons and during tests.

SOME KEY WORDS WHICH EVERY PUPIL MUST UNDERSTAND AND KNOW HOW TO SPELL

Adaptation	Distillation	Neutralisation	
Adolescence	Electric circuit	Invertebrate	
Amniotic fluid	Environmental factors	Luminous	
Ampere	Variation	Menstruation	
Chlorophyll	Evaporate	Ovulation	
Chloroplast	Fertilisation	Resistance	
Chromatogram	Foetus	Renewable resources	
Combustion	Food chain	Solubility Density	Indicator
Weight			

RELIGIOUS EDUCATION

The Head of Department is Mr Campbell and can be contacted by telephone at school when he will be happy to arrange a meeting to discuss concerns or offer advice and guidance.

COURSE OUTLINE

Autumn -

Revelation and Faith –Abraham, Sarah, David and Solomon.
God's Promises Fulfilled –Exile, Return, Annunciation and Visitation

Spring -

The Saviour - John the Baptist, Beatitudes, Jesus' teachings, Saints, Pentecost
The Church - Jesus bids farewell, Pentecost, Stoning of Stephen, Spread of Christianity

Summer

The Sacraments –Jesus is the Sacrament of God, The Sacrament of Baptism, The Sacrament of Reconciliation
Christianity and Other Faiths – St Francis Xavier, Martyrs of Uganda, Edel Quinn, The Spirit of God at work

Things to do, books your son can read or appropriate websites which will be of help

- Attend Mass as a family.
- Buy a Bible for homework (or visit www.biblegateway.com).
- Visit www.reonline.org.uk

Key dates in the year (e.g. half termly assessments, controlled assessment dates, field trips)

Assessment Tasks set Autumn Half Term, Spring Half Term, Easter, Summer Half Term.

Any other information (e.g. equipment the pupil must have etc.)

Pupils need a pen, pencil, ruler, highlighter pens and glue (eg Pritt Stick).

TWENTY KEY VOCABULARY WORDS WHICH EVERY PUPIL MUST UNDERSTAND AND KNOW HOW TO SPELL

Absolution	Adoration	Beatification	Canonisation	Eucharist	Hallowed	Gentile	Immaculate
							Conception
Infallible	Intercession	Examination of Conscience	Magnificat				
Martyr	Original Sin	Paschal Candle	Pentecost				
Perpetual	Persecute	Reconciliation	Scapegoat				

HISTORY

The Head of Department is Mrs Rimmer and can be contacted by telephone at school when she will be happy to arrange a meeting to discuss concerns or offer advice and guidance.

COURSE OUTLINE: Autumn:

An introduction to 'What is History?' and the key skills you will be learning as an historian. We will then move on to a study of Medieval England from 1066-1500. We will be studying the Battle of Hastings in 1066 and the Norman conquest that followed. We will look at the role of religion in medieval life and Henry II and the famous murder of Thomas Becket.

Spring:

We will also analyse the importance of the Medieval Church and the consequences of the Black Death. By half-term, you will now move on to learn about the Tudors and the Reformation. You will learn about Henry VIII and his fallout with the Catholic Church and the creation of the Church of England.

Summer:

You will then study in depth Elizabeth I and challenges to her authority. This will include a study of religious changes, the Spanish Armada and the succession question.

Things to do, books your son can read or appropriate websites which will be of help.

You will be able to use the school library to find a wide selection of history books and history novels that will widen your knowledge of the topics you are learning. We recommend the following websites for research:

- www.bbc.co.uk/school/history
- www.spartacus.schoolnet.co.uk
- www.Schoolhistory.co.uk

We would recommend visits to Museum of London in the Barbican, the Tower of London, the Maritime Museum at Greenwich, and Hampton Court Palace.

Key dates in the year (e.g. half termly assessments, controlled assessment dates, field trips)

You will receive an assessment piece of work every half term which is to be completed in school or at home on a specific enquiry. This may be an essay, booklet, Powerpoint presentation or IT project. There will also be Christmas and summer exams.

Any other information (e.g. equipment the pupil must have etc.)

Black or blue pens, pencils, ruler, and colouring pencils.

TWENTY KEY VOCABULARY WORDS WHICH EVERY PUPIL MUST UNDERSTAND AND KNOW HOW TO SPELL

Monarch	Monastery	Treason	Interpretation
Medieval	Armada	Parliament	Chronology
Parliament	Reformation	Revolt	Excommunicated
Feudal System	Peasant Primary Source	Dissolution	Civil War
Anachronism		Secondary Source	

GEOGRAPHY

The lead teacher is Mr. Mahmoud and can be contacted by telephone at school when he will be happy to arrange a meeting to discuss any concerns or offer advice and guidance.

In Year 7 pupils focus on learning the key geographical skills which are required for later use. Studies are more locally based to give a greater understanding of their own area.

Autumn

What is Geography? A short unit introducing the basic concepts of geographical studies and skills required, including data handling, analysis, and enquiry.

Map skills linked to the British Isles Pupils study the local area from OS maps and learn how to interpret what it shows, including the use of grid references, scale, direction, relief and the symbols. This leads on to a wider study of how to use a range of different maps at different scales.

Geology and Weathering Pupils will have a fascinating introduction to how soils are formed through various weathering processes and the significance of the process in supporting life on earth. A study of the concept of geological timescale will provide pupils with an understanding of the critical stages in the earth's history such as the ice age, the formation of mountains and sea level changes.

Spring

Glaciation Pupils study the global distribution of ice and how climate change affects the present –day global ice coverage. The study will also include natural processes and features of glaciations. The focus will be on features found in the UK in order to build on their knowledge on the landscape of the British Isles.

Africa Pupils are introduced to the general physical and human geography of Africa. There is a strong emphasis on knowledge of countries and capital cities as well as a study of the distinctive natural features, weather and climate and different cultures. There is a focus on case studies of East Africa region and the formation of the East Africa Rift Valley towards the end of this unit.

Summer

Asia Pupils study the geography of Asia, including physical, human and environmental aspects. There is a focus on India and China, with particular reference to changes in their economic development and employment structures over time. There will be comparative study of the economic activities and social development of the BRIC countries as case studies

Things to do, books your son can read or appropriate websites which will be of help

Textbooks used:

Geog.1 (OUP), Key Geography Foundations (Stanley Thornes).

Useful websites: <http://mapzone.ordnancesurvey.co.uk/mapzone/> this site is also used in class www.bbc.co.uk Pupils should take an interest in current affairs and global issues Google Earth is a really useful way of using GIS.

Where possible, pupils should try to use reliable websites for research purposes, but they should cite the website used in any homework which is handed in.

Key dates in the year

October: Baseline Assessment
 December: Christmas Exam (Map skills and The British Isles)
 March: AP3 - Africa
 June: End of Year Exam

Any other information

All pupils must have black, blue and red pens, drawing pencils, an eraser, a ruler and a range of colouring pencils.

KEY VOCABULARY WORDS WHICH EVERY PUPIL MUST UNDERSTAND AND KNOW HOW TO SPELL

Physical geography	Weathering	Glaciation	Primary industry
Human geography	Physical/mechanical weathering	Glacier	Secondary industry
Environmental	Chemical	Ice sheet	Tertiary industry
Grid references	Biological	weathering	Ice cap
Contours	Landscape	Accumulation Zone	Employment structure
Scale	Freeze-thaw weathering	Ablation	Social
Compass	Soil profile	Glacier budget	Economic
Relief	Soil texture	Interglacier	Quality of life
Rural	Porous / non - porous	Abrasion	Standard of living
Urban	Permeable	Plucking	Development
Contour interval	Impermeable	Moraine	Economic growth
Gross Domestic			Landuse leaching
			Lateral moraine

Landscape	Rock cycle	Medial moraine	Product (GDP)
Layer colouring		Igneous rocks	Development indicators
		Human Development Index (HDI)	Terminal moraine
Spot height	Sedimentary rocks	Hanging valley	Ground moraine
Triangulation point	Metamorphic rocks	Truncated spur	Currency
Valley	Exfoliation	Pyramidal peak	Slum/Shanty town
Ridge	Scree	Arete	Rural-urban migration
Round Hill	Pores	Corrie	Infrastructure
Plateau	Carbonation	Drumlins	Weather
slope	Limestone	Glacier trough	Industrialisation
			Spur Granite
			Ribbon Lake
			Life expectancy

FRENCH

The Head of Department is Mr. D.Gaye and can be contacted by telephone at school when he will be happy to arrange a meeting to discuss concerns or offer advice and guidance.

COURSE OUTLINE

Textbook : Metro 1 Autumn

Saying your name, naming what you have in your schoolbag, saying how old you are and ask someone his age, saying when your birthday is, being familiar with colours, saying where you live and being able to name European countries and nationalities, saying if you have any brothers or sisters, any pet, learning how to describe somebody.

Spring

Talking about school subjects, being able to tell what time it is, talking about your timetable and your day at school, talking about what you wear, learning sports and opinions (j'aime /je n'aime pas/j'adore / je deteste), talking about your free time activities.

Summer

Telling someone where you live (seaside, countryside, suburbs...), naming what you can find in the city centre, being familiar with directions, talking about someone else's house and being able to name the rooms, saying what you do when you are home, describing your bedroom, talking about your holidays, buying a souvenir, reading a menu and ordering a snack.

Things to do, books your son can read or appropriate websites which will be of help

Ser	Llegar: llego a las (hora)
Vivir	llego en...(transporte)
Hablar	
Gustar	
Pensar	

ART AND DESIGN

The Head of Department is: Mr. Doherty . He can be contacted by telephone or would be happy to arrange a meeting.

COURSE OUTLINE

The course at KS3 aims to give the pupils a range of themes to explore using a variety of media. One of the most important components of the course will be the development of observational drawing skills, which form the basis of a personal response to the world around them.

Projects are varied from time to time so as to keep the pupils involved and interested.

Autumn

Pupils will carry out a project on 'Myself'. This will involve work on portraiture, their personal interests and local environment.

They will work with pencil and paint, creating images that reflect their ideas of themselves, working from observation, memory and imagination. They will look at the work of artists and how they have approached the theme of self-portraiture.

Spring Pupils will carry out a project on 'Shoes'. This project will aim to develop their understanding of shading and tone. They will look at the history of footwear and the new styles of sportswear available today. Making observational studies from different angles will develop their drawing skills. Tonal studies will be carried out in pencil and paint. Development of simple abstract work.

How artists such as Van Gogh have dealt with the subject.

Summer

Project: Colour Theory. Basic colour theory involving the primary and secondary colours. Painting of a colour wheel. Mixing and experimentation to develop understanding. How to graduate colours using the neutrals. Pupils will subsequently work on one of the following themes: 1. 'The Swimming Pool' 2. An Imaginary Island. 3. Their Room. They will produce a painting from their studies.

Things to do or books your son can read which will help

Make sure that homework is completed. Each homework should take about an hour.

Purchase books on Art History or borrow from the library. Books on art painting techniques are also very helpful. In order to ensure that homework is completed to a high standard, it would be helpful if your son had a wide range of drawing and painting materials at home.

Key dates in the year (e.g. assessments etc. coursework deadlines) There will be half-termly assessments in which coursework grades will be collated There will be a written and drawing exam at Christmas and the end of the year. Halftermly assessments will be recorded on the College Data Model.

Any other information (e.g. equipment the pupil must have etc.)

Pupils must have the following items of equipment in their possession at all times:
1. Set of drawing pencils. 2. Set of colouring pencils. 3. Rubber. 4. Ruler. 5. Sharpener. It would also be helpful if he had a set of felt-tip pens.

TWENTY KEY WORDS WHICH EVERY PUPIL MUST UNDERSTAND AND KNOW HOW TO SPELL

Myself --- identity, features, autobiography, moods, feelings, facial, neighbourhood, environment.

Shoes --- tone, shading, structure, blending, viewpoint, angle, improving, composition. Colour Theory --- primary, secondary, neutral, experimentation.

PHYSICAL EDUCATION

We offer a broad and balanced curriculum to challenge and motivate all learners within the Department. There is a wide range of activities covered within the curriculum to encourage all students to develop their practical skills and theoretical knowledge whilst providing an opportunity to participate in active and healthy lifestyles through the extensive enrichment and extracurricular programme.

The PE Department is keen to develop qualities of students such as leadership, confidence and creativity. Every student will take part in a testing procedure at the beginning of each year, to allow the Department to gain accurate data on the students.

COURSE OUTLINE

Students follow the National Curriculum guidelines for P.E.

CURRICULUM

Football
Basketball
Rugby
Table Tennis
Tennis
Cricket
Athletics
Badminton
Health Related Fitness
Softball

Handball
Baseline Testing

It is essential that every student has his correct kit for every lesson. He is expected to produce a note if he is unwell or an injury prevents him from taking an active part in the lesson. He will be required however to still bring his kit to allow him to fulfil other roles rather than just 'sitting out' of the lesson.

The school PE can be bought from the school suppliers however the PE Department do stock shorts and socks and also some second hand PE shirts.

ASSESSMENT

Each student will be assessed every half term to monitor progress. Each assessment will focus on one or two assessment criteria specific to the activity been undertaken. Each activity completed has specific assessment criteria to allow staff to report and monitor the progress of students and identify their strengths and areas for development.

MUSIC

Linking to KS4 Skills & AQA GCSE Music 2016 Draft Specification

<p><u>Learning Block 1:</u> <i>'Notation & Percussion'</i> <i>AP1 Performance Assessment</i></p>	<ul style="list-style-type: none"> □ Rhythm & Percussion Skills: performance & composition □ Rhythm Notation Skills: sight reading & writing rhythms □ Vocal Skills: Class song □ KS4 Links: performance & composition foundation skills, listening & appraising examination skills □ AP1: Trio percussion performances (100%) – Musicianship skills, ensemble awareness, rhythm accuracy, articulation & performance technique

DESIGN AND TECHNOLOGY

The Head of Department is Mr. Frazer and can be contacted by telephone at school when he will be happy to arrange a meeting to discuss concerns or offer advice and guidance.

COURSE OUTLINE – All students in Year 7 study a foundation curriculum in Design and Technology as a core subject of the KS3 National Curriculum. Students are introduced to the design process and a range of design challenges through half-termly projects. Students develop key skills through working with a variety of materials, tools and equipment and engage in problem solving tasks through individual and team based projects. The emphasis in year 7 is on acquiring and developing a range of graphical and practical skills.

Autumn - Drawing skills and Product Analysis

- Introduction to basic drawing techniques (perspective, isometric and orthographic drawings)
- Researching in depth - Product Analysis/Evaluation on a variety of products using ACCESS FM.
- Introduction to card mechanisms – students will design and make products with moving card mechanisms.
- Introduction to 2D design

Spring – Introduction to working with wood (Softwood/Plywood)

- Maze game project
- Introduction to the basic structures and the principles of structural design – Outdoor portable shed project. These projects cover most area of the design process. Students will learn about the classification and properties of wood materials and the types of forces acting on structures. They will research, generate and develop ideas for their game and shed projects. Jigs and templates will be introduced.

Summer – Introduction to CAD/CAM

- Key Fob and Packaging Project - This project will build on the graphics and 2D design skills from previous projects. The students will also design a package for their key fob.
- Desk tidy and message pad holder project

Things to do, books your son can read or appropriate websites which will be of help

- Students should purchase and read the KS3 Design and Technology Revision Guide.
- Work hard, be organised and try your best in lesson
- Attend homework support sessions

Any visits to exhibitions or museums will encourage and improve students' awareness of design and technology. Students should be encouraged to take part in any design and technology based projects outside school where possible. Any Design Technology or general design History based books are worth looking at to help with inspiration.

www.technologystudent.com, www.bbc.co.uk/schools/gcsebitesize/design, www.technologypupil.com,
www.google.sketchup.com

Key dates in the year (e.g. half termly assessments, controlled assessment dates, field trips)

At the end of each module students will take a short knowledge test to demonstrate their understanding of the areas covered in each project. Each **half term** pupils will receive a level assessment (AP1, AP2 and AP3) of work covered in their projects and these will contribute to their final end of year grade.

Any other information (e.g. equipment the pupil must have etc.)

Purchasing appropriate safety clothing, drawing equipment for students e.g. pencils, pens, fine liner, rubber, ruler, and a set of good quality colouring pencils as well as an apron for practical activities will benefit their DT work. Certificates will be sent home or distributed in assembly each half term to pupils who have made excellent effort and progress.

Twenty key vocabulary words which every pupil must understand and know how to spell

1. Aesthetics
2. Specification
3. Research
4. sustainability
5. Hazard
6. Recycling
7. jigs
8. Quality control
9. Template
10. Jig
11. Sketching
12. Compression
13. Tension
14. Annotation
15. Evaluate
16. Rendering
17. CAD/CAM
18. Analysis
19. Structure
20. Orthographic drawing
